

**MAXORPLUS NATIONAL FIRST (1<sup>ST</sup>)- & SECOND (2<sup>ND</sup>)- TIER DRUG ALTERNATIVES**

The following table is a listing of 3<sup>rd</sup>-tier medications and the MaxorPlus 1<sup>st</sup>-tier and 2<sup>nd</sup>-tier alternatives. It lists some of the most commonly prescribed 3<sup>rd</sup>-tier brand name drugs. Third (3<sup>rd</sup>)-tier drugs are listed in the left-hand columns and the 1<sup>st</sup>- and 2<sup>nd</sup>-tier alternatives are listed in the right-hand columns. First (1<sup>st</sup>)-tier drugs, generic medications, are listed in lower case letters by generic name. Second (2<sup>nd</sup>)-tier, brand name medications, are listed in all upper case letters (i.e., capitalized). We encourage you to show this list or your formulary to your doctor each time a prescription is written to help ensure you get the best possible co-payment. Certain drug exclusions, restrictions, quantity limits or prior authorizations may apply. Please refer to your MaxorPlus National Tiered Drug Formulary for a complete listing of 1<sup>st</sup>- & 2<sup>nd</sup>-tier alternatives or contact MaxorPlus Customer Service at **1-800-687-0707** if you have any questions. **For the most up to date formulary, please refer to <http://www.maxorplus.com>**
